DATASHEET

18 Gauge Sandy Nitrile Coated Gloves

These 18 Gauge Sandy Nitrile Coated Gloves from the Halo® PPE range have been designed with comfort and performance in mind. Halo® products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo® you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo® packaging to reduce our impact on landfill and on the environment.

Available in a wide range of sizes, these 18 gauge gloves are designed to offer you protection when working as well as being comfortable. Finished with a sandy nitrile coating to bolster grip.

Features and Benefits

- 18 gauge liner offers comfort as well as dexterity
- Sandy nitrile coated palm ensures excellent range of movement and grip when handling oily and greasy products
- Elasticated cuffs hold the gloves in place when in use and also prevent dirt and debris from ingressing
- Available in a range of sizes to ensure you find the right fit
