DATASHEET

18 Gauge Foam Nitrile Palm Coated Gloves

These 18 Gauge Foam Nitrile Palm Coated Gloves from the Halo® PPE range have been designed with comfort and performance in mind. Halo® products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo® you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo® packaging to reduce our impact on landfill and on the environment.

Available in a range of sizes, these 18 gauge liner, foam nitrile palm coated gloves are designed to offer protection and comfort when handling potentially harmful objects or materials.

Features and Benefits

- 18 gauge liner provides comfort and protection in use
- Foam nitrile coated palms allow superior gripping of even oily or greasy products
- Liner Material: Nylon, Spandex
- Elasticated cuffs prevent dirt and debris from ingressing and keeps the gloves in place when in use
- Touchscreen compatible meaning you do not have to remove the gloves to operate phones, tablets or other touchscreen devices
- Available in an array of sizes allowing you to select the right size for you
