DATASHEET

18 Gauge PU Coated Palm Gloves

These 18 Gauge PU Coated Palm Gloves from the Halo® PPE range have been designed with comfort and performance in mind. Halo® products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo® you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo® packaging to reduce our impact on landfill and on the environment.

Available in a wide range of sizes, these 18 gauge liner, PU coated palm gloves are designed to offer protection and comfort when handling greasy or oily components.

Features and Benefits

- 18 gauge liner provides comfort and durability
- Polyurethane (PU) coated palm allows excellent grip of dry and slightly damp components
- Liner material: Nylon, Spandex
- Elasticated cuffs keep the gloves firmly in place whilst also preventing dirt and debris from ingressing
- Touchscreen compatible meaning there is no need to take the gloves off when operating phones, tablets or other touchscreen devices
- Available in a vast array of sizes to ensure you find the right size for you
