DATASHEET

Double Nitrile Coated Gloves

These Double Nitrile Coated Gloves from the Halo® PPE range have been designed with comfort and performance in mind. Halo® products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo® you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo® packaging to reduce our impact on landfill and on the environment.

Available in a wide range of sizes, these double nitrile coated gloves are suited for protecting hands when handling potentially hazardous objects or materials.

Features and Benefits

- 15 gauge liner for comfort and protection
- Fully coated Nitrile coating with palm Foam Nitrile additional coating layer for excellent dexterity when handling heavily oily or greasy products
- Elasticated cuff secures the gloves in place and prevents dirt and debris from ingressing
- Available in a range of sizes to ensure you find the best fit
