DATASHEET

PVC Coated General Handling

These PVC Coated General Handling Gloves from the Halo® PPE range have been designed with comfort and performance in mind. Halo® products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo® you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo® packaging to reduce our impact on landfill and on the environment.

For an excellent grip when handling wet components, this PVC-coated glove from the Halo® safety range is ideal. Lined with comfortable, moisture-wicking cotton for breathability, the knit-style wrist ensures comfortable wear and prevents the ingress of dirt and debris.

Features and Benefits

- Cotton lining is breathable for comfortable wear
- Fully coated PVC offers improved protection and grip
- Elasticated wrist gives the glove a secure fit and prevents the ingress of dirt and debris
- Provides excellent grip on wet components
- Available in various sizes to ensure you find the right fit
