DATASHEET

Protective Gloves, Palm-Side Coated, White

These Protective Gloves from the Halo® PPE range have been designed with comfort and performance in mind. Halo® products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo® you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo® packaging to reduce our impact on landfill and on the environment.

These nylon-lined nitrile gloves are designed for handling small parts in oily and greasy environments. Ideal for automotive work, these gloves allow for a high level of dexterity and comfort during prolonged wear.

Features and Benefits

- 13 gauge nylon liner bolsters comfort when wearing
- Nitrile foam palm coating is designed to aid grip when handling oily components
- Knitted lightweight glove and wrist cuff for secure ease of wear
- Ergonomically shaped glove for improved dexterity and flexibility
- Available in a wide range of sizes to suit your needs
