DATASHEET

Cut E Sandy Nitrile Gloves

These Cut E Sandy Nitrile Gloves from the Halo® PPE range have been designed with comfort and performance in mind. Halo® products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo® you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo® packaging to reduce our impact on landfill and on the environment.

Available in a range of sizes, these cut E sandy nitrile gloves are highly durable and are designed with comfort and protection in mind.

Features and Benefits

- 13 gauge cut E resistant liner allows for excellent dexterity and protection as well as comfort
- Sandy nitrile palm coating allows you to effectively grip dry, damp, oily and greasy components and is extremely resilient
- HPPE/fibreglass cut resistant material to protect against cutting injuries
- Elasticated cuffs protect against the ingress of dirt and debris
- Designed for comfort, conformability and protection
- Latex-free to avoid allergies and irritation
- Seamless construction prevents seam on skin irritation for user comfort
- Open breathable glove back for comfort
- Palm coating extends to provide arterial protection
- Additional thumb crotch support provides extra protection in high wear areas
- Available in various sizes to suit your needs
