DATASHEET

Disposable Nitrile Gripper Gloves, Pack of 100

These Nitrile Powder Free Food Safe Disposable Gripper Gloves from the Halo® PPE range have been designed with comfort and performance in mind. Halo® products are manufactured to suit a diverse workforce and ensure everyone is protected. By choosing Halo® you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo® packaging to reduce our impact on landfill and on the environment.

The Nitrile Disposable Gripper Gloves are ideal for heavier-duty tasks, offering superior protection and versatility across various applications. Designed for comfort and durability, these gloves feature a chlorinated interior to reduce friction and enhance wearability. The innovative diamond grip pattern on both sides ensures exceptional grip in all conditions. Latex-free and antistatic, they cater to sensitive skin and minimise static discharge risks. Ambidextrous for convenience and supplied in a pack of 100, these vibrant orange gloves combine functionality with ease of use, making them a reliable choice for demanding work environments.
