DATASHEET

3.5G Nitrile Disposable Gloves

These 3.5G Nitrile Disposable Gloves from the Halo® PPE range have been designed with comfort and performance in mind. Halo® products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo® you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo® packaging to reduce our impact on landfill and on the environment.

Ideal for a wide range of industries, these disposable gloves from the Halo® PPE range deliver strong yet durable protection while remaining lightweight and comfortable.

Features and Benefits

- Seamless design reduces skin irritation
- Manufactured from lightweight and durable 3.5G nitrile
- Blue powder-free ambidextrous construction allows easy donning
