5G Nitrile Disposable Gloves

These 5G Nitrile Disposable Gloves from the Halo® PPE range have been designed with comfort and performance in mind. Halo® products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo® you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo® packaging to reduce our impact on landfill and on the environment.

Strong and convenient, the blue nitrile gloves are supplied in boxes to allow for easy access when required. Their powder-free design makes them a great choice for a wide range of industries, while the ambidextrous construction allows easy pairing.
