DATASHEET

Black Nitrile Disposable Glove

These Black Nitrile Disposable Gloves from the Halo® PPE range have been designed with comfort and performance in mind. Halo® products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo® you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo® packaging to reduce our impact on landfill and on the environment.

Comfortable with an excellent grip, these black nitrile gloves provide dexterity for a range of tasks and resist a wide variety of chemicals to keep the hands and wrists well protected.

Features and Benefits

- Seamless design reduces skin irritation
- Manufactured from lightweight and durable 5.5G nitrile
- Black chlorinated construction allows easy donning
- Ambidextrous fit allows for easy pairing
- Disposable nature ensures there is no cross-contamination
- Nitrile gloves make for a good latex alternative for those with latex allergies
- 0.15mm (4.5mil) fingertip thickness is ideal for medium-duty work
- Textured finish on fingertips provides an improved grip
- Supplied in boxes of 100 to ensure you have an ample amount to hand
- Tested against Chemotherapy drugs
- Inclusive sizing is available from S to XL
