DATASHEET

Foam Nitrile Coated Palm Cut 1 Gloves

These Foam Nitrile Coated Palm Cut 1 Gloves from the Halo® PPE range have been designed with comfort and performance in mind. Halo® products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo® you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo® packaging to reduce our impact on landfill and on the environment.

Available in a wide range of sizes, these foam nitrile coated palm gloves offer a cut 1 protection, but are mostly suited for general handling tasks. Designed for durability and comfort with wearability at the forefront of the construction.

Features and Benefits

13 gauge nylon liner is comfortable and offers and cut 1 levels of protection

- Foam nitrile coated palm allows you to grip even oily and greasy components
- Knitted elasticated cuff reduces the risk of dirt and debris from entering the glove
- Flexible design maintains dexterity, conformability and comfortability
- Seamless design reduces risk of skin irritation when used extensively
- Available in an array of sizes to ensure you find the best fit
