DATASHEET

Cut B Foam Nitrile Palm Gloves

These Cut B Foam Nitrile Palm Gloves from the Halo® PPE range have been designed with comfort and performance in mind. Halo® products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo® you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo® packaging to reduce our impact on landfill and on the environment.

Designed to offer protection when handling greasy, oily components with a cut risk level B, these gloves are manufactured with safety and comfort in mind. Available in a range of sizes to ensure all are protected.

Features and Benefits

- 13 gauge cut B resistant liner allows for excellent dexterity and protection as well as comfort
- Foam Nitrile coated palms can grip dry, damp, greasy and oily components
- HPPE cut resistant material to protect against cutting injuries
- Elasticated cuffs prevent the ingress of dirt and debris as well as securing the gloves in place
- Seamless construction reduces irritation of the skin even with extended use
- Available in an array of sizes to ensure you find the product that is the right fit for you
