DATASHEET

Seamless Nylon PU Palm Coated Cut B Gloves

These Seamless Nylon PU Palm Coated Cut B Gloves from the Halo® PPE range have been designed with comfort and performance in mind. Halo® products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo® you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo® packaging to reduce our impact on landfill and on the environment.

Designed for handling dry components that could produce a cut risk, these seamless nylon and polyurethane gloves are available in a wide range of sizes to ensure that everyone is protected.

Features and Benefits

- 13 gauge cut 3 liner bolsters comfort whilst also effectively protecting against cuts
- Polyurethane (PU) coated palm increases grip and dexterity and lets you handle dry components that could pose a cut risk
- HPPE cut resistant material protects against cutting injuries
- Knit wrist cuffs add further protection and keep the gloves in place when wearing
- Seamless design reduces potential irritation to the skin
- Available in a range of sizes allowing you to find the size that's the best fit for you
