DATASHEET

Seamless Nylon PU Palm Coated Cut D Gloves

These Nylon PU Palm Coated Cut D Gloves from the Halo® PPE range have been designed with comfort and performance in mind. Halo® products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo® you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo® packaging to reduce our impact on landfill and on the environment.

Designed for superior protection against cutting injuries, these nylon polyurethane palm coated gloves offer comfort and safety in use. Available in a wide range of sizes to ensure that everyone is protected.

Features and Benefits

- Cut D resistant liner allows for excellent dexterity and protection as well as comfort
- Nylon polyurethane (PU) coating allows you to confidently grip dry, damp, oily and greasy components
- Elasticated knit wrist makes sure the gloves stay in position as well as preventing the ingress of dirt and debris
- Nylon polurethane coating also covers the cuff to protect the arterial areas for bolstered safety
- Available in a variety of sizes to ensure you find the correct sized product for your needs
