DATASHEET

White Cowhide Lined Driver's Gloves

These Cowhide Driver's Gloves from the Halo® PPE range have been designed with comfort and performance in mind. Halo® products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo® you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo® packaging to reduce our impact on landfill and on the environment.

These Driver's gloves from Halo® are ideal for industrial drivers and general handling tasks. Made to last, the gloves feature double stitching, while the soft cowhide leather is comfortable and breathable.

Features and Benefits

- Durable construction offers excellent abrasion resistance and comfort during extended use
- Flexible and supple, ideal for general material handling, transport, and driving duties
- Snug fit at the wrist keeps gloves securely in place
- Cowhide leather exterior is robust and heat-resistant, offering good protection from abrasion and heat exposure
- Elasticated back helps to prevent ingress of dirt and debris
- Available in alternative colours as well as lined or unlined options to suit your needs
