Surface Temperature Sensor TF44

Modelcode type: TF44

Item number: 48784704

Surface Temperature Sensor TF44	
Sensor design	
Measuring element	
Connecting lead	
Connecting lead	Individually and common plastic insulated;
Lead length [W]	1.500 mm
Electrical connection	
Mounting accessories	
Operating conditions	
Measuring range	-20...+105°C (-4...+221°F)
Protection [IP]	IP66/IP67 Transition of sensor sleeve to connecting cable
