# Desk Mount Dual Monitor Arm - Desk Clamp / Grommet VESA Monitor Mount for up to 32 inch Displays - Ergonomic Articulating Monitor Arm - Height Adjustable/Tilt/Swivel/Rotating

Product ID: ARMDUAL2

Work in comfort while saving space. This highly functional desk mount dual monitor arm brings you a cost-effective and versatile solution to an ergonomic workspace. Enjoy a wide range of motion with the double-jointed crossbar design plus tilt, swivel, rotation and height adjustment.

## Make your Workspace Work for You

The multi monitor mount gives you the flexibility to set-up your desktop your way. Each of the articulating arms extends a full 15.7" (39.9 cm) to adjust to your needs.

The flexible double joints on the arms give you numerous options to position your monitors. You can place your monitors to face you, or even turn your monitors right around, 180-degrees, to share your screen with others. If you choose, you can also tighten the joints, making your setup as stationary as you like.

## Crossbar Design Made of Steel

The cross-bar design provides a clean and simple look, while keeping monitors aligned. Use the micro-adjustment knob to align your monitors perfectly.

Made of steel, the rugged two display arm securely supports two VESA mount (75x75, 100x100) monitors up to 32", with a weight capacity of 17.6 lb. (8 kg) per monitor.

## Find the Ideal Viewing Angle

The double monitor arm lets you smoothly and effortlessly adjust the position of your screens for optimum viewing. Tilt your monitors +45/-45 degrees. Swivel +90/-90 degrees to the left or right. Rotate your monitors to portrait or landscape position with the 360-degree rotary VESA plate.

## Height Adjustable

Adjust your monitors to the desired height. The dual screen mount is height adjustable along the 17.4" (44.3 cm) pole.

## Easy to Install

The multiple monitor mount is easy to install, using the C-clamp to attach the mount to the edge of your desk, table, or counter or mounting it through a grommet hole.  The detachable VESA plate makes it easy to attach or remove your monitor. The built-in cable management keeps your cables neatly tucked away.

ARMDUAL2 is backed by a StarTech.com 5-year warranty and free, lifetime technical support.
