DATASHEET

Kevlar® Sewn, Split Leather Heat-Resistant Welding Gauntlets, Size 10

These Kevlar® Sewn, Split Leather Heat-Resistant Welding Gauntlets from the Halo® PPE range have been designed with comfort and performance in mind. Halo® products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo® you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo® packaging to reduce our impact on landfill and on the environment.

This heavy-duty full welder's gauntlet is manufactured to deliver excellent protection against burn damage. Featuring durable Kevlar® stitching throughout the product, and cotton lined for comfort.

Features and Benefits

- Cotton lined for user comfort
- Overall length: 14 inches
- Split leather heat-resistant properties provide great protection while welding
- Gauntlet style design provides full protection against welding sparks and grinding splash
- Reinforced palm and thumb for durability and extra protection
- Concealed Kevlar® seams to prevent burn damage
