DATASHEET

Nylon Lined PU Coated Palm Gloves

These PU Coated Nylon Lined Gloves from the Halo® PPE range have been designed with comfort and performance in mind. Halo® products are manufactured to suit a diverse workforce and ensure everyone is protected. By choosing Halo® you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo® packaging to reduce our impact on landfill and on the environment.

These nylon-lined gloves are polyurethane coated on the palm and offer dexterity and comfort when handling an array of components. Available in a wide range of sizes and colours to suit your exact needs.

Features and Benefits

- 13 gauge seamless nylon liner allows for excellent dexterity and protection as well as comfort
- Polyurethane (PU) coated palms ensure great dexterity even when dry or slightly damp
- Knitted wrists prevent the ingress of dirt and debris
- Colour-coded binding for easy size identification
- Available in white, grey, or black to suit your preferences
- Available in a wide range of sizes to suit your needs
