FLC-RO SE 3" #150RF AISI 316 dual grade 3 mm

Single Step Restriction Orifice

Item number:	48765779	
Quantity:	1 pcs.	
Order code:	FLC-RO-WSA030R1ZCZ031M05000ZZZZZZZZZZAASZZ	F1
Overview:	FLC-RO SE 3" #150RF AISI 316 dual grade 3 mm Orifice plate type: Square Edge International Reference Standard: ASME Standard 3" ASME 150 class Raised Face restriction orifice thickness: 3 mm Flow element material: SS 316 dual grade Bores Quantity: 1 Bore diameter: 50.00 mm wall thickness / schedule: not required surface finish: 125 -250 AARH for raised face Handle type: integral Marking: standard Certificates and Tests: without	
Details:	Single Step Restriction Orifice Orifice plate type: Square Edge International Reference Standard: ASME Standard Nominal Pipe Size: 3" Flange Rating and Facing: ASME 150 class Raised Face Flow element material: SS 316 dual grade restriction orifice thickness: 3 mm Bores Quantity: 1 UoM for bores: mm Bore diameter: 50.00 wall thickness / schedule: not required surface finish: 125 -250 AARH for raised face Handle type: integral Marking: standard Certificates and Tests: without 3 mm
