DATASHEET

SMS Disposable Hooded Coveralls Type 5 & 6, Blue

These SMS Type 5 and 6 Disposable Hooded Coveralls from the Halo® PPE range have been designed with comfort and performance in mind. Halo® products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo® you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo® packaging to reduce our impact on landfill and on the environment.

Manufactured from breathable, non-woven fabric, the type 5/6 hooded coveralls from the Halo® PPE range offer resistance against liquid particles to EN 13034 Type 6 standards and protection against solid particles to EN 13982-1 Type 5 standards. The long sleeves and drawn hood provide optimum coverage to the head, neck and arm areas to limit exposure, while elasticated cuffs, ankles and back allow for a comfortable fit and unrestricted movement during prolonged wear.

Features and Benefits

- Breathable SMS non-woven fabric provides wearer comfort in warmer settings
- Inside stitching provides a durable protective garment
- Elasticated cuffs, back and ankles allow for comfortable and secure wear
- One-way zip closure with a 1-ply storm flap allows for easy and secure fitting
- Drawn hood protects exposed neck areas
- Available in a wide range of sizes from small to 4XL to suit a diverse team
- Available in blue or white to suit your requirements
