- Van Damme Tour Grade Classic XKE Microphone cable terminated with Neutrik NP3X stereo (balanced) jack and NC3MXX male XLR **or** Neutrik NC3FXX female XLR
- For microphone and line level analogue audio use
- Rugged, flexible assembly ideal for on stage use
- Hand wired in the UK using 3% silver solder
- RoHS Compliant

COMPONENT PARTS

Van Damme Tour Grade Classic XKE Microphone cable

- Improved outer jacket ensures cable remains flexible in sub-zero temperatures
- Tightly packed cotton fillers ensure no static build up and even capacitance
- Close lapped copper screen for the best compromise between effective shielding and flexibility
- Combination of silver plated and plain ultra-pure oxygen free copper conductors for unsurpassed sound quality

Neutrik XX Series XLR Connectors

- The Industry Standard XLR connector
- Chuck type strain relief for excellent cable retention
- Rugged Zinc diecast shell
- Cage type female contact for low contact resistance and high signal integrity

Neutrik PX Series Stereo Jack Connectors

- Chuck type strain relief for excellent cable retention
- Rugged Zinc diecast shell
- Precision machined 1 piece tip contact
