DATASHEET

Gel Knee Pads

These Gel Knee Pads from the Halo® PPE range have been designed with comfort and performance in mind. Halo® products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo® you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo® packaging to reduce our impact on landfill and on the environment.

Suited for strapping around the knee, these durable knee pads are designed to effectively protect the kneecaps when kneeling down.

Features and Benefits

- Gel construction ensures comfort when wearing
- Tough PVC shell is highly durable and offers superior protection
- Adjustable straps to ensure comfort and a secure fit
- Abrasion resistant shell protects in various environments
