DATASHEET

Microporous Overshoes

These Microporous Overshoes from the Halo® PPE range have been designed with comfort and performance in mind. Halo® products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo® you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo® packaging to reduce our impact on landfill and on the environment.

The microporous overshoes from the Halo® safety range are strong and breathable to provide additional protection against splash risks. Easy to use, each overshoe features an elasticated ankle for secure fitting.

Features and Benefits

- One-size-fits-all for a user-friendly product
- Hardwearing sole for a reliable product
- Non-linting microporous material is suitable for use in sterile environments
- Elasticated around the ankle for a secure fit
