DATASHEET

S3 Metatarsal Protection Safety Boots

These Metatarsal Protection Safety Boots from the Halo® PPE range have been designed with comfort and performance in mind. Halo® products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo® you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo® packaging to reduce our impact on landfill and on the environment.

These lightweight, flexible safety boots have Poron XRD„¢ internal metatarsal protection and retain excellent comfort due to a padded mesh collar and tongue. They are tough, oil-resistant and feature anti-static properties to keep you safe in a range of workplace settings.

Features and Benefits

- Enhanced wearer comfort due to padded mesh collar and tongue, as well as an energy-absorbing heel and removable EVA comfort footbed
- Manufactured from resilient materials for product longevity
- Steel toe cap protects the wearer from impact injuries up to 200J
- Black cow action leather upper repells water and stops feet from getting wet
- Dual-density polyurethane sole is oil, grease and water resistant for resilience
- Steel midsole for bolstered protection of the feet
- Oil-resistant outsole and anti-static properties
- Unisex design for inclusive wear for everyone
- Available in varying sizes to suit your needs
- Supplied with a spare pair of laces for convenience
