DATASHEET

S3 Metatarsal Protection, WP Safety Boots, Black

These High Collar Metatarsal Protection Safety Boots from the Halo® PPE range have been designed with comfort and performance in mind. Halo® products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo® you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo® packaging to reduce our impact on landfill and on the environment.

These metal-free, tall safety boots feature Poron XRD® for metatarsal safety. They provide impact and scuff protection to keep the feet and lower legs against injury. A side zip allows for easy donning and doffing for user comfort and convenience.

Features and Benefits

- Padded mesh collar and tongue enhance wearer comfort
- Manufactured from resilient materials for product longevity
- Metal-free with a composite toe cap and scuff cap for a lightweight solution
- Leather water-resistant upper to keep feet dry in adverse weather conditions
- Polyurethane and rubber soles are resistant to oil, grease and water for resilience
- Composite midsole to keep feet warm
- Poron XRD® provides impact protection to the top of the foot, protecting your metatarsal bones
- Heat-resistant outsole to enhance the boots' durability
- Side zip for easy donning and doffing
- Unisex design for inclusive wear for everyone
- Available in varying sizes to suit your needs
- Supplied with a spare pair of laces for convenience
