DATASHEET

S3 Metatarsal Protection, WP Safety Boots, Black

These WP Safety Boots from the Halo® PPE range have been designed with comfort and performance in mind. Halo® products are manufactured to suit a diverse workforce, and ensure everyone is protected. By choosing Halo® you are supporting worthwhile charities including Mind for Mental Health and The Diversity Trust. Where possible, single-use plastic bags have been removed from Halo® packaging to reduce our impact on landfill and on the environment.

These black safety boots feature Poron XRD® to protect the metatarsal from impact injury. The boots are resistant to water and heat, making them a durable choice and ideal for a variety of environments. They are metal-free, with a composite toe cap and mid sole.

Features and Benefits

- Removable EVA comfort footbed for wearer customisation
- Manufactured from resilient materials for product longevity
- Composite toe cap delivers up to 200J of impact protection
- Full grain leather waterproof upper prevents wet and uncomfortable feet
- Heat-resistant polyurethane and rubber sole prolongs the service life of the boot
- Composite midsole offers added protection
- Poron XRD™ provides impact protection to the top of the foot
- Scuff cap reduces the risk of damaging the leather
- Metal free with a composite toe cap and mid sole for a lightweight solution
- Unisex design for inclusive wear for everyone
- Available in varying colours/sizes to suit your needs
- Supplied with a spare pair of laces for convenience
