SKYTEC™

MULTI PURPOSE

Ninja Flex

Latex grip glove with a lightweight liner for a super thin feel

The seamless lightweight liner and latex coating maintain an overall superthin feel for enhanced dexterity, fit and comfort. For manual handling in damp and dry conditions.

Features

- The lightweight nylon/lycra liner (15 gauge) maintains a superthin "feel" for improved dexterity, fit and comfort
- Anatomically designed for high levels of comfort and tactile touch
- Abrasion and rip resistant
- Excellent grip in both wet and dry environments
- Silicone and lint free
- Seamless liner prevents irritation
