Safe-Box CEE 230 V IP 44, blue

For more safety with cable plug connections, also outdoors, IP 44.

IP 44

Product number 1160540
EAN 4007123673889

DESCRIPTION

- Ideal for all standard CEE connections 230 V/16 A (blue plugs/couplings).
- Protects against dirt and damage.
- Eyelet for a padlock provides additional security by preventing unauthorised access to the connections.
- Also serves as a stabiliser for cable connections in outdoor areas.
- Best suited for use in outdoor areas or damp rooms.
- Suitable for H07RN-3G2.5 cables with dimensions min Ø10.9 mm to Ø14.0 mm.
