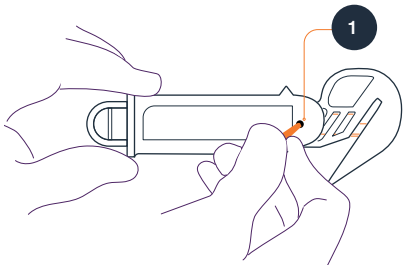
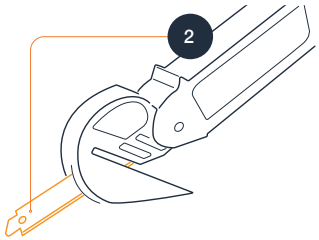
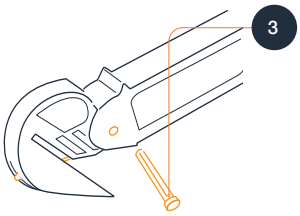
BLADE CHANGE INSTRUCTIONS



Push the fixing pin of the **GR8 Pro** Knife against a hard flat surface or use the Blade Change Tool until you hear a click, then pull out the pin by hand or with a pair of pliers.



Carefully remove the blade, taking care to not touch the sharp edge. If both sides are dull, replace the blade, otherwise simply rotate it and clip back into place.



Replace the pin and press in until you hear it click into place. Your **GR8 Pro** is now ready to use.
