

PRODUCT NUMBER: 1028640

SP1000 Safety Eyewear, Black Frame, ClearLens

Provides protection against impact, wind, dust and airborne debris. Ideal for dirty, high-particulate work environments such as grinding, chipping, shaving and sanding.

Honeywell

Overview

Reference Number
1028640

Product Type
Eye and Face Protection

Range
Spectacles

Line
Dual lenses

Brand
Honeywell

Industry

- Building and Construction
- Metal steel
- Minning and Quarrying
- Petro-chemical
- Transportation

Product Use
General use and protection against impact and dust

Features & Benefits

Feature
Soft and flexible nose piece

Benefit
Conforms to a variety of facial profiles and minimises slippage

Feature
Soft, high-quality face cushioning and padded temple tips

Benefit
Offers all-day comfort

Feature
Highly adjustable flame-resistant headband

Benefit
Provides excellent fit

© Honeywell International Inc.

Feature
Wrap-around 8-base dual-lens style

Benefit
Exceptional peripheral vision and coverage

Feature
Top and bottom indirect ventilation and Dura-streme dual anti-fog/anti-scratch coating

Benefit
Durable performance with minimised fogging

Technical Description

Shade Lens Color
Clear

Lens Coating
Dura-streme Dual Technology Anti-fog and Anti-Scratch

Shade Lens Material
Polycarbonate

Replacement Lens
No

Frame Color
Black Painted

Frame Material
Polycarbonate

Dielectric
Yes

Temple Type
Padded Temple Tips

ECS GmbH - European Certification Service

EC-type examination certificate

C9119.3B-D

Applicant / manufacturer	SPERIAN Eye & Face Protection, Inc. 10, Thurber Blvd. SMITHFIELD, RI 02917 USA
Identification of the manufacturer	B-D
Product type	Eye-protector, safety spectacles with filtering action, UV and sunglare filters
Model name	Spectacles / 1028640, 1028643, 1028644 see schedule identifying the different models
Standard(s) / technical rules	DIN EN 166, 170, 172 : 2002 Annex II of the PPE-Directive 89/686/EEC
Test reports	1083-ECS-09, INSPEC 09.12.66 + 09.12.67 1034-ECS-10
Material	Lenses: polycarbonate Temples and headbands: plastics
Marking	UV: 2C-X B-D 1 FT K N – 166 FT 3 CE Sunglare: 5-Y B-D 1 FT K N – 166 FT 3 CE for details see schedule for the different models

Herewith, ECS certifies that the named models comply with the basic requirements for health and safety as they are provided by the European Directive for Personal Protective Equipment 89/686/EEC. This certificate is based both / either on the test results as they are summarized in the named test reports, and/or on the technical documentation as it is delivered by the manufacturer. The applicant / manufacturer agrees to the General Business Rules of the ECS GmbH and to additional agreements as they are named in the application for conformity assessment.
The eye-protection device is to be marked as assigned. Either / both the frame and / or the ocular, spectacle, goggle or shield must be signed, as appropriate. If different marking has been assessed, the lowest marking must be applied, respectively.
The validity of this EC-type examination will expire, if the manufacturer modifies the safety-relevant properties of this product with comparison to the tested one or if the requirements in the standards or technical rules will be revised and/or tightened.
Name, address and identification number 1883 of the notified body ECS must be indicated in the information brochure of this product.

Honeywell

SP1000™, Powerful eyewear for today's demanding work environments.

Premium Eyewear for today's demanding work environments

Premier Performance

- Provides protection against impact, sun, wind, dust and airborne debris. Ideal for dirty, high-particulate work environments such as grinding, chipping, shaving and sanding.
- Available with Dura-streme™ dual coating technology which combines our two best lens coatings
  — anti-fog on the interior and anti-scratch on the exterior
  — for 3x longer lens life*.

* *Comparative lens life test performed using a Bayer Abrasion Test method and may vary between environment and application.*

Premier Comfort & Fit

- Soft and flexible nose piece conforms to a variety of facial profiles and minimises slippage.
- Soft, high-quality face cushioning and padded temple tips offer all-day comfort.
- Highly adjustable flame-resistant headband provides excellent fit.

Clear - ideal for most indoor work applications

HDL Yellow - ideal for low-light applications where enhanced contrast is needed

Grey - minimises strong outdoor sunlight and glare

Flexible design can be used with temple or headband (both included).

- Premier comfort and seal with high-quality face cushioning, flexible nose piece and adjustable headband.
- Exceptional peripheral vision and coverage with wrap-around 8-base dual-lens style.
- Durable performance with minimised fogging thanks to top and bottom indirect ventilation and Dura-streme dual anti-fog/anti-scratch coating.
