CRESCENT Wiss

Heavy-Duty Blades
Feature Ti-Coated premium-grade steel and are precision-engineered for knife-like cutting edges

Titanium-Coated Blades
Provide corrosion resistance and are 3X harder than steel for durability & tool life

Touch-Point Ergonomics
Optimize hand & finger contact points in handles to maximize fit, control, and user ergonomics

Serrated Bottom Blade
Grips material as it is being cut for increased cutting control & cleaner cuts

Control-Channel
Accommodates index finger for increased control and cutting stability

Full Metal Core
Extends through the handle for maximum strength and increased durability
