

LEITZ

Leitz Ergo Cosy Standing Desk Converter

The Leitz Ergo Cosy Standing Desk Converter allows the flexibility to move between sitting and standing at your workspace and with its compact, portable size, it creates an ergonomic set up in any location. It encourages muscle movement, improves posture and increases energy levels. Quick and easy to set-up, this desk riser will transform your workspace instantly and remains strong and stable at any height. The pneumatic assisted adjustment will effortlessly lift the stand to the perfect height, moving straight up and down within its own footprint to save space. With its minimalist and modern design, this stylish sit stand desk converter will improve health and wellbeing by creating the perfect active working set-up. Combine with other Leitz Ergo products for an inviting and flexible workspace that keeps you moving all day.
