BCSD10 - 10mm Composite Straight Air Drill

KOBE BLUE LINE professional air tool with a higher specification offering maximum user comfort and durability - designed for extensive periods of heavy duty use in a production environment

Features and Benefits:

- Industrial quality keyless chuck
- Compact and lightweight for ease of use in confined areas
- Composite rubber body provides improved user grip and comfort over longer periods of use
- Exhaust outlet adjusts 360° to direct air flow away from the operator
- Fast drill bit change with keyless chuck
- Safety release throttle prevents accidental start-ups

Typical Applications:

- Use for drilling up to 10mm in Steel
- Ideal for automotive, production and assembly applications

Specifications:
