Spacemiser 12-550 ESD

Thousands of sensitive components and other parts can be kept in proper order using an ESD-protected spacemiser. The assembly holds 12 small part storage cabinets (551/ 554 ESD) which need to order separately. Owing to its robust base and divider shelf system, the spacemiser retains its cabinets firmly in place. Mounted on a ball-bearing base, the unit can be effortlessly rotated for easy of use. A single assembly can offer storage for up to 3456 different items on a floor area of only 0.25 sqm. Includes a ground-connection cord. The unit is easy to assemble.

Product code	12-550 ESD
EAN-code	6416763034369
Width mm	500
Depth mm	500
Height mm	1730
Package width mm	530
Package depth mm	530

Package height mm	120
Package weight kg	17.5
Max load kg	400
Quantity per package	1
ESD	Yes
RAL code	RAL7035
Color name	Light grey
Net weight kg	16.6
Available for the following products	
Frame material	Epoxy powder-coated steel
Warranty years	5
