Reliable Storage, Colorful Designs

The Lexar® JumpDrive® S60 USB Flash Drive provides stylish, high-capacity portable storage, allowing you to easily transfer, store, and share files on the go. The drive sports a protective sliding cover and is available in a variety of colorful options (in select regions). Compatible with both PC and Mac systems, the JumpDrive S60 USB Flash Drive allows you to quickly and easily store a huge number of photo, music, and video files. Two-year limited warranty.

Plug-and-Play Designs with great features. The drive has a simple plug-and-play design that allows you to quickly and easily store files, so wherever you go, your information goes with you.

Wide range of capacity options and stylish designs. The Jumpdrive S60 comes in a wide range of capacities, so it's easy to find one that suits your needs and reflects your style.

Delivers for both PC and Mac®. Compatible with both PC and Mac® systems, the JumpDrive S60 Flash Drive allows you to quickly and easily store a huge number of photo, music, and video files.

Rigorously tested. All Lexar product designs undergo extensive testing in the Lexar Quality Labs, facilities with more than 1,100 digital devices, to ensure performance, quality, compatibility, and reliability.

For more than 20 years, Lexar has been trusted as a leading global brand of memory solutions. Our award-winning lineup includes memory cards, USB flash drives, card readers, and solid-state drives. With so many options, it's easy to find the right Lexar solution to fit your needs. Lexar products are available worldwide at major retail and e-tail stores. For more information or support, visit www.lexar.com.

Some of the listed storage capacity is used for formatting and other purposes and is not available for data storage. 1GB equals 1 billion bytes.
Lexar is not liable for any loss of data or images.
Product appearance, performance, software offerings, and packaging may vary depending on ship date and available inventory.
