NA003-M64 Version H

Manufacturer data sheet: V1.0..004

Mains and system protection - Mains and system protection

Status: Available Data sheet created: 21.03.2023

Item Number: 2700100H - **Serie:** RE - **EAN:** 9008662017443

- Mains and system protection, multinational, 64 memory locations
- Frequency and voltage monitoring
- Functionally safe due to internal redundant design
- Menu-driven; integrated test function easily selectable Measuring voltage up to 3 x 400/230V AC
- Auxiliary voltage 24V DC; 110-240V AC
- 3 changeover contacts
- Series installation Width 107 mm
- Installation type

Description

Safe and standard-compliant operation of power generation plants with globally applicable mains and plant protection.

General information

Short description	Mains and system protection, multinational, M64, version G
Item Number	2700100H
EAN	9008662017443
Main category	Grid & System Protection
Series	RE
Type	NA003-M64 Version H
Dimensions	106.3 x 90.5 x 62 mm

Logistics

EAN	9008662017443
