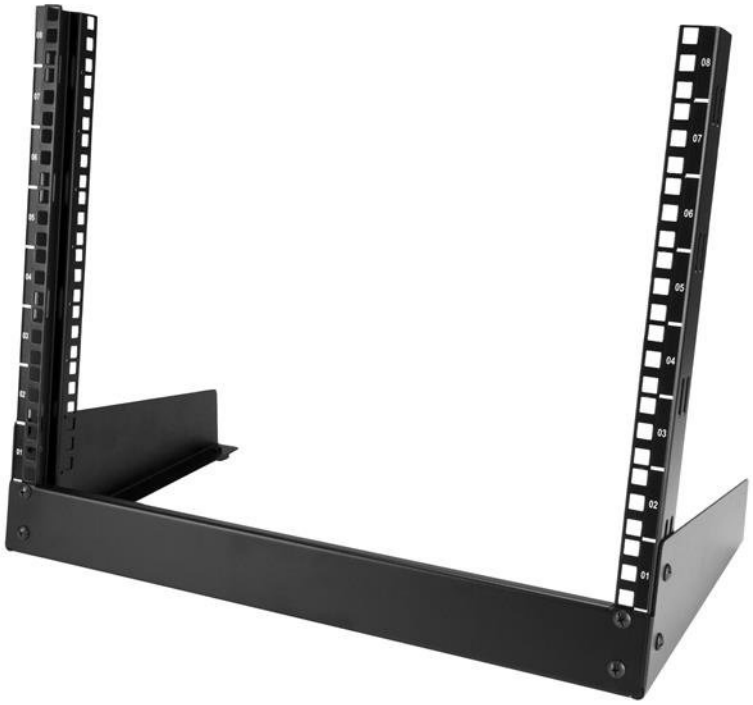
# 8U Desktop Rack - 2-Post Open Frame Rack

Product ID: RK8OD



This 2-post desktop rack provides 8U of storage space for mounting smaller A/V and IT equipment.

## Save money with a low-cost mounting solution

With this 2-post rack, you can mount equipment at a fraction of the cost of conventional racks. The lightweight rack is engineered to meet EIA-310 rack-mount standards and is constructed of solid steel, ensuring a sturdy and safe mounting solution for your mission-critical equipment.

## Improve efficiency and accessibility in your office or server room

The rack features an open frame, free standing design that saves space with a small footprint. It gives you the ability to place rack-mount equipment on any surface in your office, such as your desk. This makes it easy to access your equipment on a daily basis.

## Hassle-free setup

The 2-post rack is easy to assemble and includes a pack of 20 M5 screws and cage nuts.

If you're looking for a desktop mounting solution with more rack units, StarTech.com also offers a 12U 2-post desktop rack.

The RK8OD is backed by a StarTech.com lifetime warranty and free technical support.

## Certifications, Reports and Compatibility

RoHS & REACH DOWNLOAD DECLARATION

CE

TAA COMPLIANT

## Applications

- Place KVMs and rack-mount computers or server systems neatly on or beside your desk
- Save space in your SoHo (small office, home office) or server room, by placing equipment on desk or other surface, instead of taking up floor space

## Features

- Save money with a rack-mount solution that's a fraction of the cost of conventional racks
- Improve efficiency in your office or server room by placing equipment on your desk
- Easy setup with hassle-free assembly and mounting hardware included
- Includes 20 M5 screws and cage nuts
- Lightweight design
- EIA-310 compliant
