

LEITZ

Leitz Quality Pocket A4, 30% pre-consumer recycled plastic

Pockets with a clear matt finish ideal for every day use at home, in the office or at school. The 11 hole multi-punched reinforced strip allows convenient storage of documents in lever arch files and binders, protecting them from moisture, dust and dirt. Opens at the top for easy access to documents without releasing binder mechanism. Copy-safe and acid free material ensures long-term protection of the documents. Made of PP (polypropylene) plastic with 30% pre-consumer content, 100% recyclable.
