3/8" INCH MICRO IMPACT DRIVER SET (15PC)

DATA SHEET
KEN-573-9656G

This 15-Piece 3/8" Micro Impact Driver Set is a compact yet powerful solution for removing stubborn, seized or damaged fasteners quickly and effectively. Designed to perform in tight or hard-to-reach areas, this driver set provides the extra torque needed to loosen bolts and screws that standard tools cannot shift. The specialist sockets are engineered to grip the sides of rounded or worn fixings securely, reducing the risk of slipping and ensuring a firm hold every time. With 15 carefully selected pieces included, this versatile set is ideal for tackling a wide range of tasks, making it a reliable addition to any toolkit.
