SAFETY INSTRUCTIONS

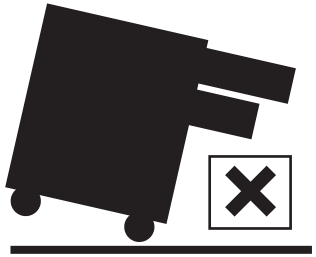

KENNEDY Roller cabinets and top chests are designed to help you work safely and efficiently. Storage equipment can be dangerous if the correct operating procedures are not followed. Safety procedures and assembly instructions are as follows:

- Read, study and understand all warnings and operating instructions before use.
- **DO NOT** alter the product in any way.
- **DO NOT** weld lock bars or dollies onto the unit.
- **DO NOT** mount the roller cabinet or top chest onto any moving object such as a truck, van or lorry etc.

LOADING:

- **DO NOT** load from the top drawer first.
- **DO NOT** drop tools into the drawers.
- **DO NOT** completely fill only one drawer, evenly distribute the weight.
- **DO NOT** load a drawer from the front.
- **DO NOT** exceed the maximum load capacity for the drawers. Please see specifications section for the correct capacity.
- **DO NOT** exceed the maximum load capacity for the castor wheels which includes the product weight and content weight also top chest weight if placing one on top. Please see specifications section for the correct capacity.

USE:

- **DO NOT** open more than one loaded drawer at a time as this may cause the unit to tip and cause serious injury.
- **ALWAYS** apply the brakes on the castor wheels when unit is not in motion.
- **DO NOT** stand on this unit.
- **DO NOT** slam the drawers shut.

MOVEMENT:

- **BEFORE** attempting to move the unit, make sure all drawers are fully closed and locked. Failure to do so may result in serious injury.
- **DO NOT** pull to move the unit, always push.
- **NEVER** tow the unit with any equipment.
- **ALWAYS** place the unit on a flat level surface.

HOW TO INSTALL THE GAS STRUTS (KEN-594-6600K) FOR THE TOP CHESTS ONLY:

PLEASE NOTE:
All 3 models of the 28" Top Chests come supplied with the standard metal hinges. However, you may wish to replace them with Gas Strut Hinges (sold separately):
ORDER CODE: KEN-594-6600K

HOW TO INSTALL:

CAUTION! WHILST INSTALLING THE GAS STRUTS KEEP IN PLACE THE ORIGINAL HINGES UNTIL THE GAS STRUTS ARE SECURLY IN PLACE TO AVOID ACCIDENTAL CLOSURE OF THE TOOL CHEST LID.

1. Open the lid to the tool chest fully and make sure the metal hinges fully lock to avoid the lid accidently closing.
2. Place the metal end of the gas strut onto the ball, push firmly so that the ball socket on the gas strut securely fits into place **(See Fig.4).**
   Repeat on the opposite side.
3. Screw the ball joint into the hole indicated in **Fig.5.**
   Repeat on the opposite side.
4. Carefully unlock the lid on the original hinges and lower it slightly into position to meet the ball joint on the gas strut. Firmly push into place to secure **(See Fig.6).**
   Repeat on the opposite side.
5. Lower and lift the lid to test that the gas struts are securly fitted.
6. Once the gas struts are securely fitted on both sides remove the original metal hinges by removing the screws.

HOW TO ASSEMBLE THE 28" ROLLER CABINETS:

BEFORE YOU ASSEMBLE:
Check that you have all the items from the parts list. The parts list and assembly covers all **3 models of the 28"roller cabinets**.
The top chests do not require assembly.
DO NOT discard the packaging materials until all parts are accounted for.

	PART	QTY
1.	ROLLER CABINET	1
2.	HANDLE	1
3.	M6 SCREW	4
4.	M8 WASHER	16
5.	M8 SPLIT WASHER	16
6.	M8*20 BOLT	16
7.	SWIVEL CASTER	2
8.	FIXED CASTER	2

HOW TO ASSEMBLE THE 28" ROLLER CABINETS:
Please note: we advise that 2 or more people should assemble the roller cabinet and top chest.
See Fig.1 below.

1. Lay the cabinet on it's side on a protective surface. Attach and fasten the casters to the bottom of the cabinet making sure that the swivel casters are on the same side that the handle will be on.
2. Attach and fasten the handle to the side you have attached the swivel casters.

HOW TO ASSEMBLE TOP CHEST ONTO ROLLER CABINET:
See Fig.2 below.

1. Remove the top mat off the trolley cabinet.
2. Carefully place the tool chest on top of the fully assembled roller cabinet.

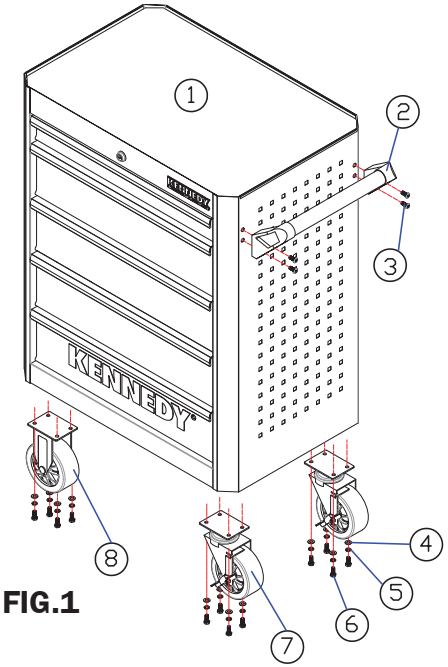

FIG.1

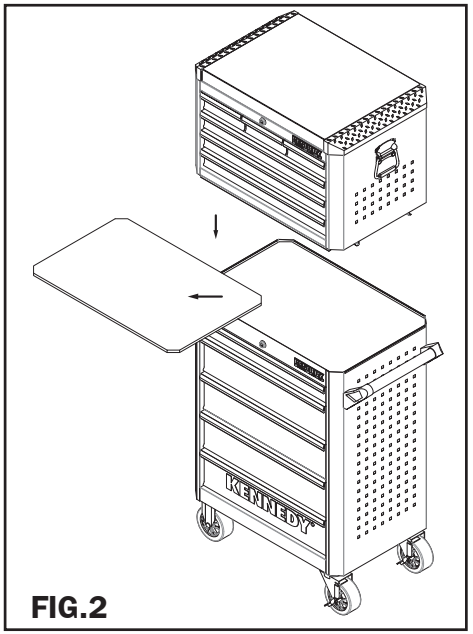

FIG.2

HOW TO ASSEMBLE THE 36” 5 DRAWER ROLLER CABINET:

BEFORE YOU ASSEMBLE:
