DATA SHEET

5 Drawer Roller Cabinet - Industrial Range — KEN-594-2120K

Features and Benefits:

Excellent Design:

- Coated in two part epoxy powder paint providing a corrosion-resistant and durable finish
- Steel inner walls added strength and extra rigidity
- Perforated sides optimise space with easy to install accessories
- Non-slip EVA top mat and liners prevent damage and protect tools
- Fully opening drawers with magnets to secure them in place
- 45mm Ball bearing slides give good drawer stability and smooth action even under load

Greater Security:

- Full Height Locking system with cylinder locks for added security

Increased Mobility:

- Strong ergonomics side handle, which can fit to either side of the unit, facilitate easy repositioning
- 125mm diameter castors with lockable brakes absorb shock and can support heavy loads

Enhanced Safety:

- Spring loaded catches prevent drawers opening when repositioning

Options:

- A Range of **Tool Control Inlays**, **Accessories** & **Spares Available**
