Product Code: KEN0304520K
Brand : Kennedy

## 200mm (8") Three Square Second Engineers File

Product Information :

These products possess equilateral sections (60° angles) and are then tapered towards a point. The products are suited for filing acute angles, internal corners and flat filing, clearing out square corners and for filing HSS tools after machining. Available in a range of sizes and specifications to deliver a variety of cuts.

Features and Benefits
