

LEITZ

Leitz Height Adjustable Desk Divider, 60x70cm

Stay focused while enjoying a more productive and peaceful working day with Leitz Adjustable Desk Dividers. Reclaim your workspace by creating a flexible barrier to help protect your privacy, dampen noise and limit visual distractions that can result from working in open plan offices or hybrid workspaces.

With a clean, minimalist design and stepless height adjustment, these office screens simply clamp on to your desk and can be easily adapted to your needs. Personalise your desk with photos or keep your workspace organised and clutter free by using the desk divider panels to pin important notes and reminders. Whether you are on a call, concentrating on a task or just need a moment of calm, desk top screens help you stay in control of your environment and support your wellbeing throughout the day.

Leitz privacy panels are made from thermally bonded non-woven fabric which contains 75% recycled post-consumer plastic (PET) combining durability with sustainability. The different size options and easy to use clamps allow the office desk separators to fit seamlessly into any desk set-up. Combine multiple desk divider panels to customise your workspace - feel good at work and beyond.

Attributes

- 60cm width x 70cm height privacy desk screen ideal for taking calls, focused work, or protecting screen content from view
- Customisable and flexible desk dividers suitable for most table sizes, with stepless manual height adjustment from 35cm to 65cm above table edge
- Easy to raise the desk top screen for a private, focused workspace and lower again to collaborate with colleagues
- Modular design allows you to combine multiple privacy panels to suit your workspace and to block only the areas required. Exact fit when two boards are placed next to each other
- Office screens attach securely to most desk sizes (up to 30mm thick) using the 2 clamps included, taking up no desktop space and allowing for easy installation and removal when needed. Space between the table and desk divider designed for organising cables and power supplies
- Create an organised and clutter free workspace that reduces visual distractions and boosts focus and concentration
- Noise-dampening material reduces sound in your immediate personal area perfect for large shared offices and open plan spaces
- Durable and lightweight 12mm desk divider panel made from thermally bonded non-woven fabric containing 75% recycled post-consumer plastic (PET)
- Personalise the desk divider with photographs or use to pin notes and memos for easy reference
- Modern and minimalist design in light grey complements any office style while creating a calm workspace that enhances focus and productivity
- Flame-retardant material. Fire protection class B-s2, d0 according to EN 13823: 2020+A1: 2022 and EN ISO 11925-2: 2020
