PPC3006RB

Kit of 6 plastic sign posts with 10m of chain - with empty base - red/white

A set of 6 premium bollards with 10 meters of chain, designed for easily marking off access points, whether temporarily or permanently. These bollards come as a set and have a base that can be filled with water or sand for stability. They are made of ABS and polypropylene and feature two rings, one with holes and the other with hooks, for hanging chains in four possible directions. Additionally, they have a threaded top for attaching information signs. They are available in various colors, and the information panels are sold separately.

EAN 3321360010582
