UDS01

Door stop UDP left turning

The door stop, that can be mounted easily on site, prevents the door from closing unexpectedly, which increases work safety.

CHARACTERISTICS	
Description	Left turning

Item no.: UDS01
EAN no.: 8713574101678

Technical data

Description: To secure the door/panel in an open position. Mounted directly to the door and body. Machining is not required.

Material: Steel.

Delivery: 1 piece with mounting accessories.

Features

Feature: Steel door stop for modular polyester wall mounted enclosures.

Advantage: The door stop can be mounted to the enclosure's door without the requirement for additional machining and allows the door to be secured in the open position.

Benefit: Maintainers can work safely inside the enclosure knowing the enclosure's door cannot be closed unexpectedly. The door stop can be mounted easily either in the factory or in the field as no machining is required.
