

Kensington

Kensington SmartFit® Sit/Stand Desk

The Smart Way to Stand and Work. The Kensington SmartFit® Sit/Stand Desk allows the flexibility of moving between sitting and standing while you work, bringing health benefits and encouraging muscle movement. Strong and stable at any height, the pneumatic elevation makes the desk easy to lift within a space-saving footprint.

Attributes

- The smart way to stand at work. Switch between sitting and standing, burning calories and promoting muscle movement.
- Two-tier structure with a 35.4" (900mm) wide main desk surface. Plenty of room for a dual monitor set-up
- Based on scientific research, SmartFit® system simplifies setting the ideal ergonomic height, increasing comfort and performance
- Pneumatic lift enables smooth and effortless adjustment between sitting and standing positions
- Space-saving design allows the workstation to move straight up and down within its own footprint
- 35lb (15.9kg) weight capacity supports up to 30lbs (13.6kg) on main desk surface & up to 5lbs (2.3kg) on the keyboard & mouse deck
- Zero-footprint mounting allows you to add a Vesa® Mounting Plate (K33959WW) to connect a Kensington dock (sold separately)
- Cable management system routes monitor and accessory cables to keep workstation tidy and uncluttered
