LXT® ULTRAFINE

CERTIFIED CARBON NEUTRAL

TG5360

The TG5360 is part of the world's first carbon neutral glove range. The LXT range is certified as carbon neutral from cradle to grave. This means that at no extra cost, your LXT glove has helped to lessen it's impact on the environment.

The TG5360 is an ultra-fine cut level C safety glove, fantastic for tasks that need high dexterity and precision, they are also touchscreen compatible.

This glove is certified washable at 40°C for 5 wash cycles.
