DATA SHEET

Product Code: KEN5057240K
Brand : Kennedy

600mm CHISEL & V-NOTCH WRECKING BAR

Product Information :

Suited for general dismantling and stripping applications, within a wide range of industries. Manufactured from heat treated carbon steel, one end is bent upwards whilst the other has a light slant, making it a highly versatile product.

Features and Benefits
- Has a bevelled nail slot to allow you to easily remove nails
- Manufactured from carbon steel for durability
- Heat treated for resistance to corrosion and bolstered strength
- available in varying sizes to suit a host of needs

Typical Applications
- Ideal for dismantling timber constructions, opening packing cases and removing nails (depending on the type of bar)

EAN Code - 5036140110021
